Ruth,

Hi.

I'm not much for words to put in a book, but here they are.

How are you making it out nowadays? Me, I'm really terrible but I feel just sorry. Do you ever feel that way. Did you ever hear the story about a girl named LEO + A SCHULZ? I'm sure you have. Well anyway she's the one writing this book on this page of your annual. Didn't know that did you. I haven't laid any green easter eggs this year (as you say I do.)

Remember those times when we would stay home from the track meets and go bicycle riding. But as the years pass by I hope you will try to remember me even those it is hard to do at times. I can just remember a little, much, much, much, much, much about you.

Are you ready for my junk to put in this page. Alright I won't put none in. I've had more fun + hilarious going to school. And being in the school's classes. If it wasn't for the school rooms I wouldn't have any place to go during the day. Well, just wait till next year. I'll have a blast. Seems to me like I ~~put~~ ^{forgot} left your name out somewhere.
